

This is a wonderful promise! God plans our way. God knows what steps are ahead of us. They may be steps of sorrow, or trouble. They may be steps of joy and gladness. God knows. There may be times when we make mistakes and choose wrongly, but God will hold out hand. He will add his strength to us. He holds us so we can walk steadily.

The steps of a godly man are ordered (planned) by the Lord; and the Lord is happy with his way. Even if the man stumbles (misssteps), he will not fall, for the Lord holds him by the hand. Psalm 37:23,24

Promises From the Bible

My God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19

God will supply (give you) what you need. He will make things happen so that you have what you need. Maybe not all you want. But what you need. Sometimes we think we need things—but they are not really necessary to live. We have become used to having a lot. God will give us what we need. He will take care of us. And he may give us things we want also.

John 16:13 speaks about the Holy Spirit and says "When he, the Spirit of Truth, is come, he will guide you into all truth." One of the things the Holy Spirit does for us is to teach us and lead us into God's truth. Truth about God, truth about ourselves, truth about others, truth about teachings and thoughts others say to us. As we look to God to show us the truth about all things, He will show us what is true. Obeying the truth makes us free from error and sin.

If you continue in my word, then you are my disciples, indeed; and you will know the truth, and the truth will make you free.

Promises From the Bible

And when He putteth forth his own sheep, He goeth before them, and the sheep follow Him: for they know His voice. John 10:4

When God tells us to do something, or when we feel God is leading us to do something — you can feel sure that He will go before you to prepare the way. If God prepares the way for us—we should not be afraid to follow where He is leading. This verse says that the sheep know His voice and they follow Him. Do we know His voice? Do we know when God is speaking to us? Are we willing to follow Him?
