As we see things things happen in the news, we

to stop them.  
try to do things to them, God will do something  
As these nations become more against Israel and

will protect Israel.

God will not let the other nations have it. God  
God promised that land to the people of Israel.  
of the people of Israel and they want their land.  
not want Israel to be there. They want to kill all  
We know some of the nations around Israel do

Watch therefore:  
for you know not  
what hour  
your Lord does come.  
Matthew 24:42

Watching for the Lord's coming  
does not mean that we stand  
and look at the sky.

It does mean that  
we think about Jesus' coming often  
—everyday.

It means that we keep our heart right  
with God.

It means we keep asking for  
forgiveness of sins. We keep our  
hearts clean before God.

We do not know when Jesus will come. But  
we know of the things the Bible says  
will happen just before Jesus comes again.

Things that happen to the people of Israel  
will help us know that the time of  
Jesus' coming will happen soon.

ISRAEL

As we watch on the news about things that  
are happening to Israel— Christians are  
beginning to feel that Jesus' coming will not  
be far away.

Prophecies in the Bible are about Israel and  
the nations that try to come against them in  
battle.
