

What God wants most for us---is a
relationship with Him.
He brings many things into our life
trying to get our attention.
When things happen that we do not like,
we go away from God--not to Him.
He wants to draw us close like a
Father would pull his child close.

God does not want us
free from Him.
God works very hard
trying to get us to
depend on Him,
God does not want
independence from Him.
He tries hard to pull us
closer to Him.

Americans love independence.

But God wants dependence
on Him.

(If you've had a good father)
Would you want to be free from
your relationship with him?

Maybe the reason people are not wanting a
relationship with God is because they do
not know Him very well.

God is waiting for you.

Freedom !

How we Americans love
our freedom!

Freedom to do what we want.
Go where we want.

Isn't freedom a good
thing?

Some of us want to be free
from God.
