

Being good is important,
but it will not be the reason
you get into heaven.

Does Being a Good Person Get You to Heaven?

Yes, we all have sinned against
God. It is what we do about
Jesus that gets us into heaven.

Can Bad People Go To Heaven?

Does Going to Church Get You to Heaven?

No, but it is a good place to
learn about heaven.

What Will Get You to Heaven?

Asking Jesus to forgive your sins,
and to turn away from doing wrong things.
This is what "repent" means.

Ask Jesus to forgive your sins. Ask Him to help you
live in a right way. He will help you to do right.
He will give you life forever in heaven.
It does not matter how bad you have been. It does not
matter how "good" you are. It matters that you trust in
Jesus to forgive you and give you life in heaven.
You are not good enough by yourself.
God can forgive all sin. Sin will keep you out of heaven
and only Jesus can take away your sin.
Stay with Jesus. Going to church can help you learn
about God. Reading the Bible will help you, too.

Jesus came to die in your place. This is good news!

Can You Pray to Anyone or god?

No ! Only to Jesus
Why?

Jesus is the only One who died in your place.
God said: "The person who sins will die."

Ezekiel 18:4

We have all sined and done wrong. Romans 3:23

Sin is not allowed in heaven. You can not go
to heaven with sin.

If you keep your sin, you will have to pay
your own death punishment.
