

Promises From the Bible

We are made partakers of Christ,
if we hold the beginning of our confidence
steadfast unto the end. Hebrews 3:14

Many of God's promises have the word **if** in
them. If we do this—God will do that.
For us to take part of Christ and eternal life
and blessings, we have something we have to
do.

We have to keep steady, steadfast, true,
in faith (confidence, feeling sure) that God
will keep His promise.

Keeping the faith means to keep believing,
keep trusting, keep obeying— what Jesus
taught. We must do this until the end—to our
last breath on this earth. Stay with Jesus.

Promises From the Bible

"...even to your old age, I am He;
and even to your hoar (white) hairs—
will I carry you." Isaiah 46:4

God has promised to carry you all your life
even when your hair is white.

We have many troubles in old age. Many of
them are problems in our body. We can
not do things and need help.

Some of the problems are money.
God promises to take care of us
until the end. Rest in His promise to care
for you.

Promises From the Bible

"...God that comforteth (comforts) those
that are cast down..." II Corinthians 7:6
...Thou, O Lord, are a shield for me,
and the lifter up of mine head." Psalms 3:3

There are many things that make us feel sad,
discouraged, weak, —we feel like we can not go
on. We feel like everything is too much for us. We
want to hide and not come out. Some people think
they should kill themselves.

Everyone feels like that at some time in their life.
What they do about it— makes the difference.

Learn how to give your troubles to Jesus.

In your mind, take your troubles and put them in
Jesus' hands. Say to Jesus—these are too much for
me. I need you to help me and take care of this.

Then trust Him to work things out. It may not
happen in a day. It may take some time.

But He will help you through each trouble.

Promises From the Bible

"As long as he sought the Lord,
God made him to prosper." 

II Chronicles 26:5

When we think of "prosper" we think of
"profit"—making money—being rich.

There are other ways to prosper.

God can keep us healthy—so we do not
miss work, or spend money on doctors.

God can give us friends who help us.

God can keep our cats running so we
do not have to spend money on them.

Or keep refrigerators, stoves, furnaces
etc. going —so we do not have to buy

new ones. There are many ways to
prosper. Put God first —He will prosper
you.
