

The requirement is to simply—be faithful!  
In heaven someday—You want to hear Jesus  
say: "Thou good and faithful servant."

Do not turn away from God.  
Do not ignore what the Bible teaches.  
Do not go off—following some other teaching.  
Do not be a sour, grumpy person.

As much as you can—with God's help—speak  
to others about Jesus.  
Try to help others know what the Bible says.

A steward is a person who is responsible to  
take care of a household, or fields, or  
property. He works for the one who owns  
the house or property.  
The Apostle Paul wrote this verse to the  
believers in Corinth.  
He was telling them that an owner looks for  
faithfulness in his workers.

1 Corinthians 4:2

"...It is required in stewards that a  
man be found faithful."

# Be Faithful !!

Christians are "stewards" of the gospel—  
the good news of salvation through Jesus.

It is the responsibility of Christians to  
\*\*to show people what God wants a  
Christian to be—

- \*\*live in a way that pleases God.
- \*\*obey what the Bible teaches.
- \*\*show grace and kindness to others.

- \*\*tell others about this salvation,
- \*\*to teach and explain to others about what  
God want us to do.

EVERY one has the ability to be faithful.

A person is not required  
to be smart,  
or be the best,  
-or even be "successful"—as the world sees  
success.

Even a simple-minded person can be faithful.

- Live right.
- Be honest.
- Be kind and generous of spirit to others.
