

Promises From the Bible

I will go in the strength of the Lord. Psams 71:16

We are weak people. We sin and do wrong so easy. We are not strong. We make mistakes and make bad choices.

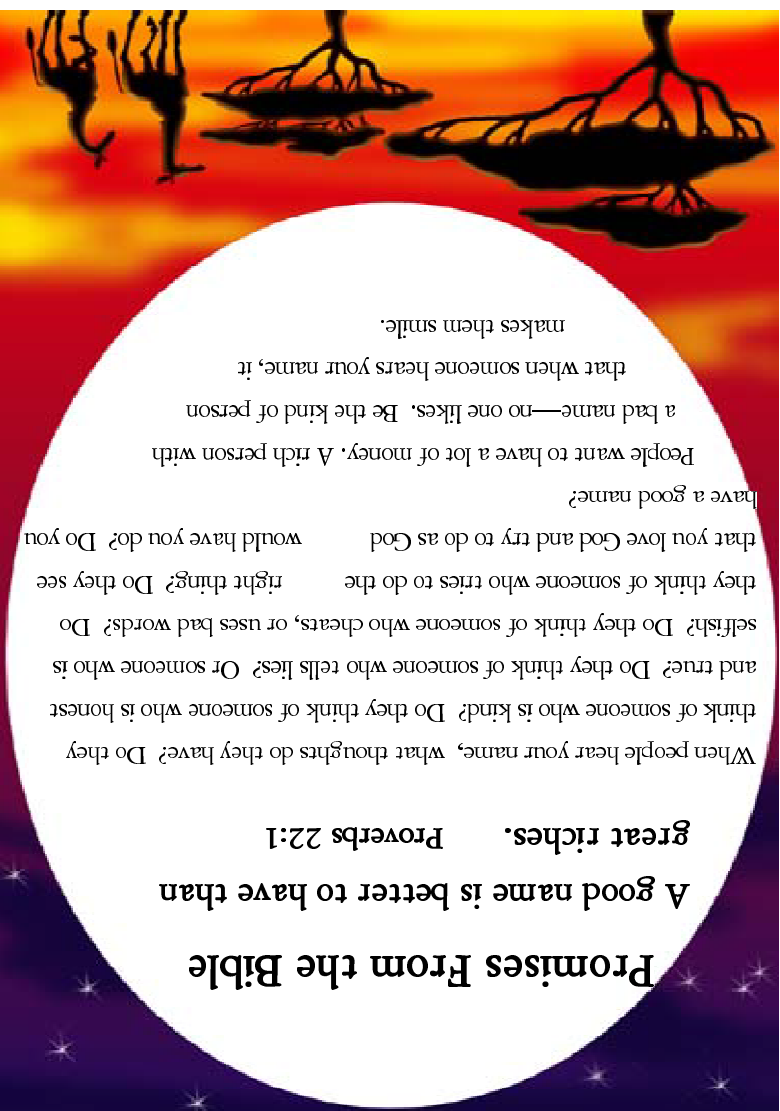

We get angry, we are not patient. In so many ways, we need to be stronger. God's Spirit, the Holy Spirit, can help us be a stronger, better person. Pray and ask God to help you. Think about God. He will

He will help you.

God loves everyone. His love for us will be forever. It does not matter what bad things we do, He will still love us. God does not like the bad, sinful things we do. Doing sinful things, will keep us away from God. God wants us to be close to Him. He wants us to turn away from our doing sin. Ask for forgiveness. Stay close to God. Let Him show you His love and care. Obey God, and some day you will live with God in heaven.

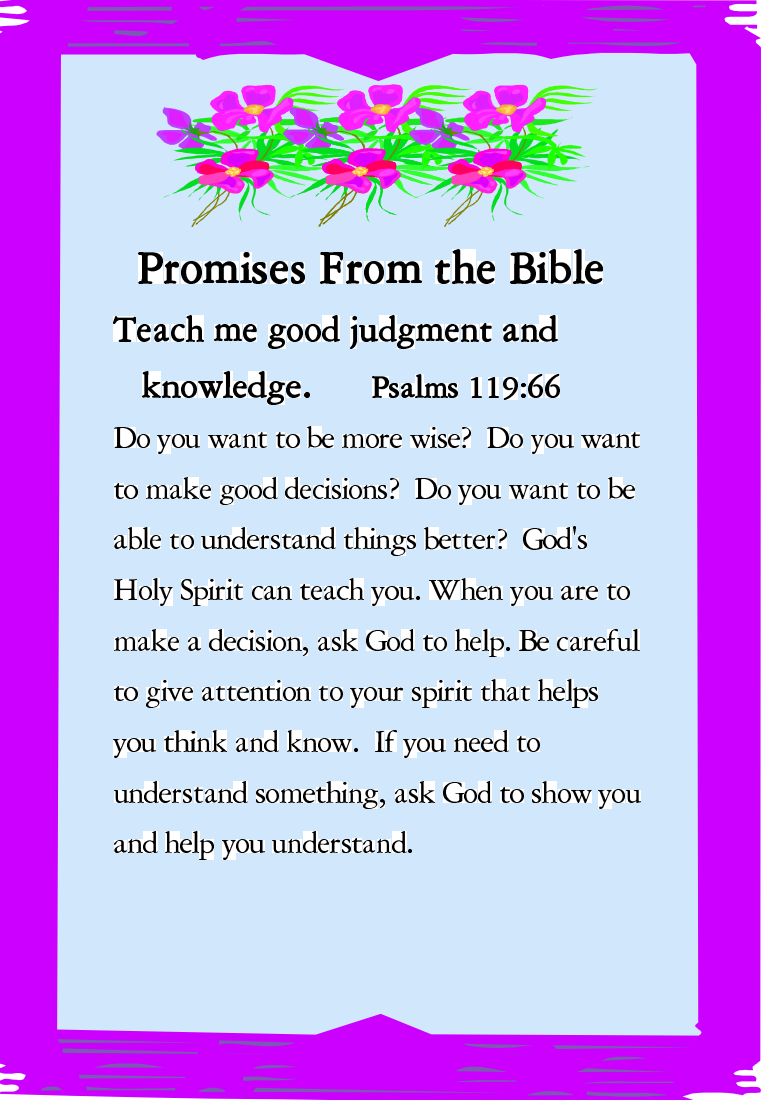

Promises From the Bible

A good name is better to have than great riches. Proverbs 22:1

When people hear your name, what thoughts do they have? Do they think of someone who is kind? Do they think of someone who is honest and true? Do they think of someone who tells lies? Or someone who is selfish? Do they think of someone who cheats, or uses bad words? Do they think of someone who tries to do the right thing? Do they see that you love God and try to do as God would have you do? Do you have a good name? People want to have a lot of money. A rich person with a bad name—no one likes. Be the kind of person that when someone hears your name, it makes them smile.

Promises From the Bible

Teach me good judgment and knowledge. Psalms 119:66

Do you want to be more wise? Do you want to make good decisions? Do you want to be able to understand things better? God's Holy Spirit can teach you. When you are to make a decision, ask God to help. Be careful to give attention to your spirit that helps you think and know. If you need to understand something, ask God to show you and help you understand.
