"But whoever drinks of the water that I will give him shall never thirst; but the water that I will give him will be in him a well of water springing up into everlasting life." John 4:14

The water of life that Jesus gives to us will give us everlasting life. It also fills our life here while we're on earth. His "water of Life" satisfies.

We do not have to keep looking here and there for something to fill that empty feeling we have inside. His "water of life" fills us. We are no longer "thirsty" for things to fill us.

"I have graven (written, carved) you upon the palms of my hands; your walls are continually before me." Isaiah 49: 16

God was talking to His people Israel. In the verse before, He told them that even if a mother could forget her child, he would never forget his people. That he had their names written on his hands.

The walls of their city was broken down. The walls were their defense and safety. The people were open to the enemy.

God said, "I know about your walls. I know you are without protection." God remembered them. He was their protection.

Our name is on His hands. He will not forget us.

He will remember our needs.
