

Can "believing" in any religion  
get you into heaven?  
Does it matter who or what  
you believe?

John the Baptist said of Jesus:

"He that believeth on the Son has

everlasting life:

and he that believeth not the Son shall

not see life;

but the wrath (anger) of God abideth

(stays) on him." John 3:36

Believing in Jesus, God's Son, is the

only way to get into heaven.

We must believe that Jesus paid for

our sin by dying on the cross, and

believing that he came alive again and

went back into heaven.

You must believe now while you are

still alive. You must ask for

forgiveness while you are still alive.

After you die, it is too late. You need

to pray and ask God to forgive you and

believe in Jesus while you are living.

Peter said of Jesus:

"Neither (not) is there salvation  
in any other;

for there is none other name

under heaven whereby

we must be saved." Acts 4:12

**Jesus**

For many years people long ago

believed that the earth was flat. They

truly believe it! They thought if you

sailed your ship too far over the ocean,

you would fall off the earth.

Anyone you would have talked to would

have said the same thing.

Almost everyone believed it.

Columbus did not believe it. We know  
today that the earth is round.

What you believe is important!

God is in heaven. He decides who gets in.

He decides how people get in.

God has told us how to get into heaven.

He used men who knew Jesus to tell us.

Men wrote down the words. We have the

words in the Bible.
