

There is only one way into heaven. It is through Jesus. It is by faith in Him. It is believing that he died on the cross in your place. He paid your death punishment for sin. If you believe in him, and ask him for forgiveness, he will forgive you of all your sin. We must have our sins forgiven to go to heaven. Only Jesus has the power to forgive sin. You could die at any time. Be ready. Ask Jesus to forgive your sin. Then you need to live in a way that pleases Jesus and shows that you want to stop doing sin and doing wrong.

Jesus said, "I Am the Door" by me if any man enter in, he shall be saved." John 10:9

choosing?

What door are you

that door.

and they got the prize behind

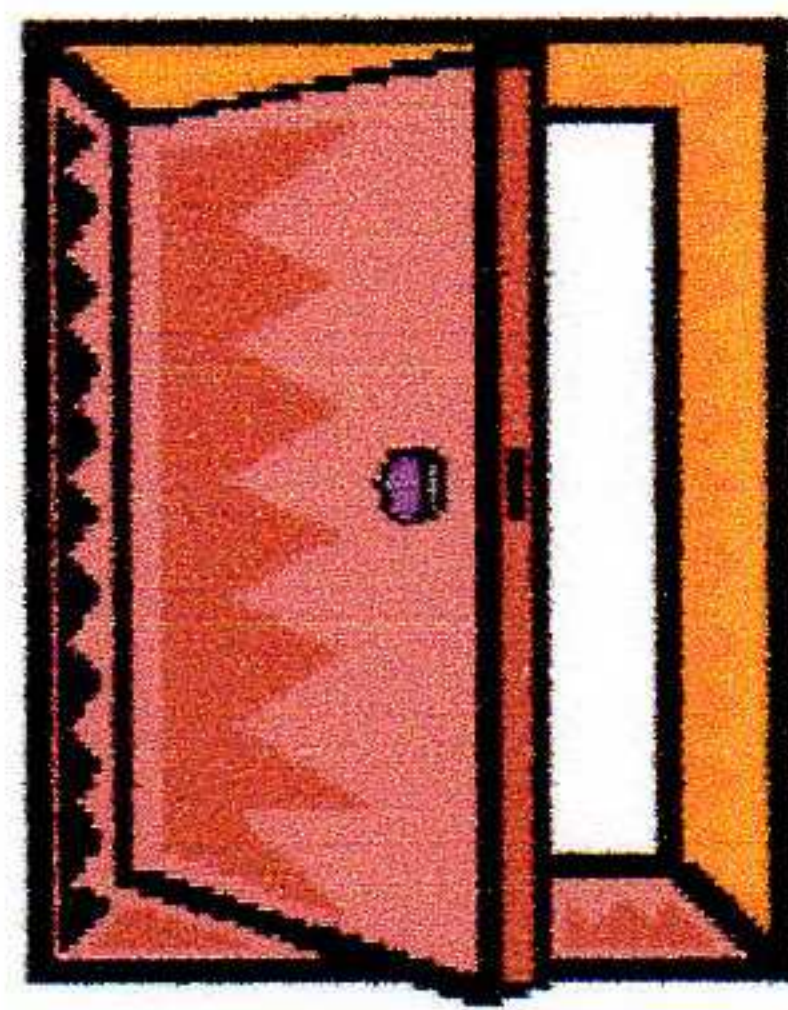

where people would choose a door

There used to be a game on TV

False Doors

Do Your Best

Many people choose this door. They live their life the best they can. They try to do right. They may do wrong sometimes, but they say. "No one is perfect." They think that everyone goes to heaven when they die—unless they were really bad. Will doing your best get you to heaven? The Bible says, "No". "It is not of works, so that no man can boast (take credit)." Ephesians 2: 8,9 "It is not of yourselves: it is the gift of God." "You are saved through faith."

This faith must be in one person, Jesus Christ, God's son. "There is none other name under heaven given among men, whereby you must be saved." Acts 4:12

I Believe in God

Many people think if they believe in God—that is all they need. Do you know that Satan and demons believe in God? Will they go to heaven? James 2:19 says, "You believe that there is one God? You do well. The devils also believe and tremble (shake with fear)." James is talking about people who say they believe in God, but their lives do not show it. They are doing wrong things. They sin. James tells them that if they really believed—then they would live in a way that brings honor and glory to God. Believing and trusting in Jesus is the only way to be forgiven of your sins, because Jesus is the One who died for your sins.
